

Join us!

An invitation to join the Order normally follows nomination by an existing member, or the personal invitation of the Grand Prior, his deputies, or the Commander of a Commandery. However, individual applications are also given due consideration. A successful membership application will have little to do with material success; rather it will be an acknowledgement of a person's character and integrity.

Petition

I hereby petition the Grand Prior for admission to the Order of St George and confirm that I will, if appointed a member of the Order, agree to be bound by its Statutes as amended from time to time. To assist with consideration of my application I have set out below the requested data and agree to this information being stored in the computer database of the Order and used by it for internal administrative purposes. I confirm that I have no unspent criminal convictions that resulted in a prison or suspended sentence.

Welcome to the Order of St. George

About the Order

Members of the Order of St George aim to make a difference in their world by supporting the Order's charity programmes.

The Order of St George takes its inspiration from the ancient and military order of knighthood, founded on 23 April 1326 - St. George's Day - in Visegrad, Hungary, by King Károly Róbert, great-grandson of Charles of Anjou.

Today, the Order supports charitable endeavours in four continents. Members' Contributions to fundraising events supplement the annual oblations and other donations offered to benefit the causes supported by the Order. The Order is registered as a charity in England (Our charity number is 1137397) and has Special Consultative Status as a United Nations recognized non-governmental organization.

In addition to being the Patron Saint of England, St. George also holds a special place in the affections of Christians in Africa and the Middle East, and so we are particularly proud of our links with the Coptic community in Egypt and with the Anglican Church in Baghdad, whose vicar emeritus, the Rev Canon Andrew White, is our Order's Spiritual Protector.

What we do

As part of our support for the work of St. George's Baghdad we provided this ophthalmoscope for the Baghdad Eye Clinic.

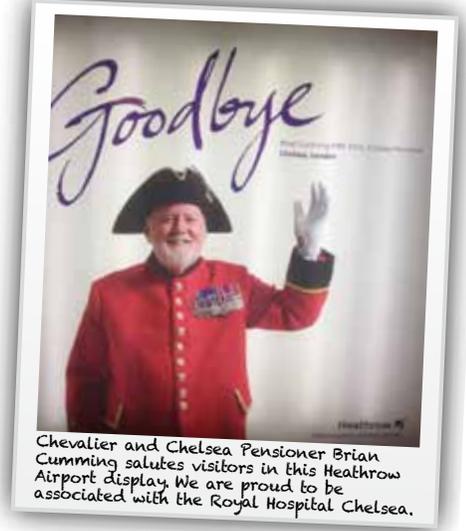

Members of the Order of St George seek to make a positive a difference in their world. Through our charitable trust, the Order provides a service to humanity by financially supporting good causes, particularly those linked to supporting the Christian communities of Iraq and Egypt, and the welfare of NATO and Commonwealth armed forces personnel. Wherever we work, we strive to promote and pursue the timeless traditions of chivalry by compassion and charity.

Some of the good causes we currently support include:

- The Mongolian Red Cross
- The Regimental Welfare Fund of the 3rd Bt Princess of Wales Regiment
- The Royal Centre for Defence Medicine
- The Royal Chelsea Hospital
- The Sean Devereux Children's Fund
- St. George's Baghdad
- The Coptic community of Egypt
- The Soldier's Charity
- Willen Day Hospice Art Therapy

How you can help

Chevalier and Chelsea Pensioner Brian Cumming salutes visitors in this Heathrow Airport display. We are proud to be associated with the Royal Hospital Chelsea.

Members support us in a variety of ways – by making financial donations, supporting our events, and helping with the administration of the charitable trust. (The Order employs no full time staff.)

We are currently developing a volunteering programme to support our friends at the Royal Chelsea Hospital, and particularly welcome new members who are able to donate their time in this way.

Membership of the Order is offered to ladies and gentlemen who are practising Christians (of any denomination) over the age of 21, of exemplary social and moral reputation and living honourably. All members are appointed as Knights or Dames and invested with the insignia and mantle of the Order in a special investiture ceremony held in a consecrated place.

If you can help and would like to be considered for membership of the Order of St. George, please complete the petition form that appears overleaf.
